THE SPIRIT OF LEGO® NINJAGO®

We're celebrating 10 extraordinarily exciting years of LEGO NINJAGO! And our six heroic Ninja continue to captivate us as they do battle against the dark and evil forces that threaten the very existence of NINJAGO.

Lloyd, Cole, Jay, Zane, Nya and Kai perform great acts of bravery and skill, encouraging you to 'Be Ninja' and embrace the virtues of wisdom, balance, honesty, generosity, curiosity and courage. But to become a Ninja takes dedication and time. You must train not only your body, but your heart and mind too.

Immerse yourself in the spirit of NINJAGO and continue on your quest to 'Be Ninja'. For only when you have properly mastered all of your heroes' virtues, can you call yourself a true Ninja.

THE LEGEND OF THE GOLDEN AMULET

Long before Master Wu recruited the Ninja, he studied the secrets of Spinjitzu alongside his brother, Gardamon. He inscribed the teachings onto a golden amulet so that they would never be forgotten. But evil found its way into Gardamon's heart and he smashed the amulet into six fragments, hiding each one in different locations around the world.

Without these fragments, and the secrets they hold, the legacy of NINJAGO is under threat. Master Wu needs your help to retrieve these valuable pieces and bring them back together to save NINJAGO.
